

# Raven's Wing

16<sup>th</sup> May 2002

*To The Men & Women of the Raven, Greetings.*

## Events at Emm's House

Dear All,

Here is the map for Emm's house. Sorry it's not particularly clear – that's Multimap for you.

On top of the original event mentioned in the last Raven's Wing, Emm has also offered to host a party – sorry, training session – on the Jubilee weekend.

### **Saturday 1<sup>st</sup> June**

Yeovil multi-period show. Manaraefan minor, as per the last newsletter. Once we've all packed up, anyone who wants to do so can go back to Emm's and pitch tents for the night. There will be a war-gaming session – please contact Ash if you're interested in participating.

Please note that there was a typo on the address list – Emm and Ash's home phone number is 01793 855809, not 855808 – sorry!

### **Sunday 2<sup>nd</sup> June**

On foot cavalry training and barbecue. Bring a bottle (or two) and/or something to eat.

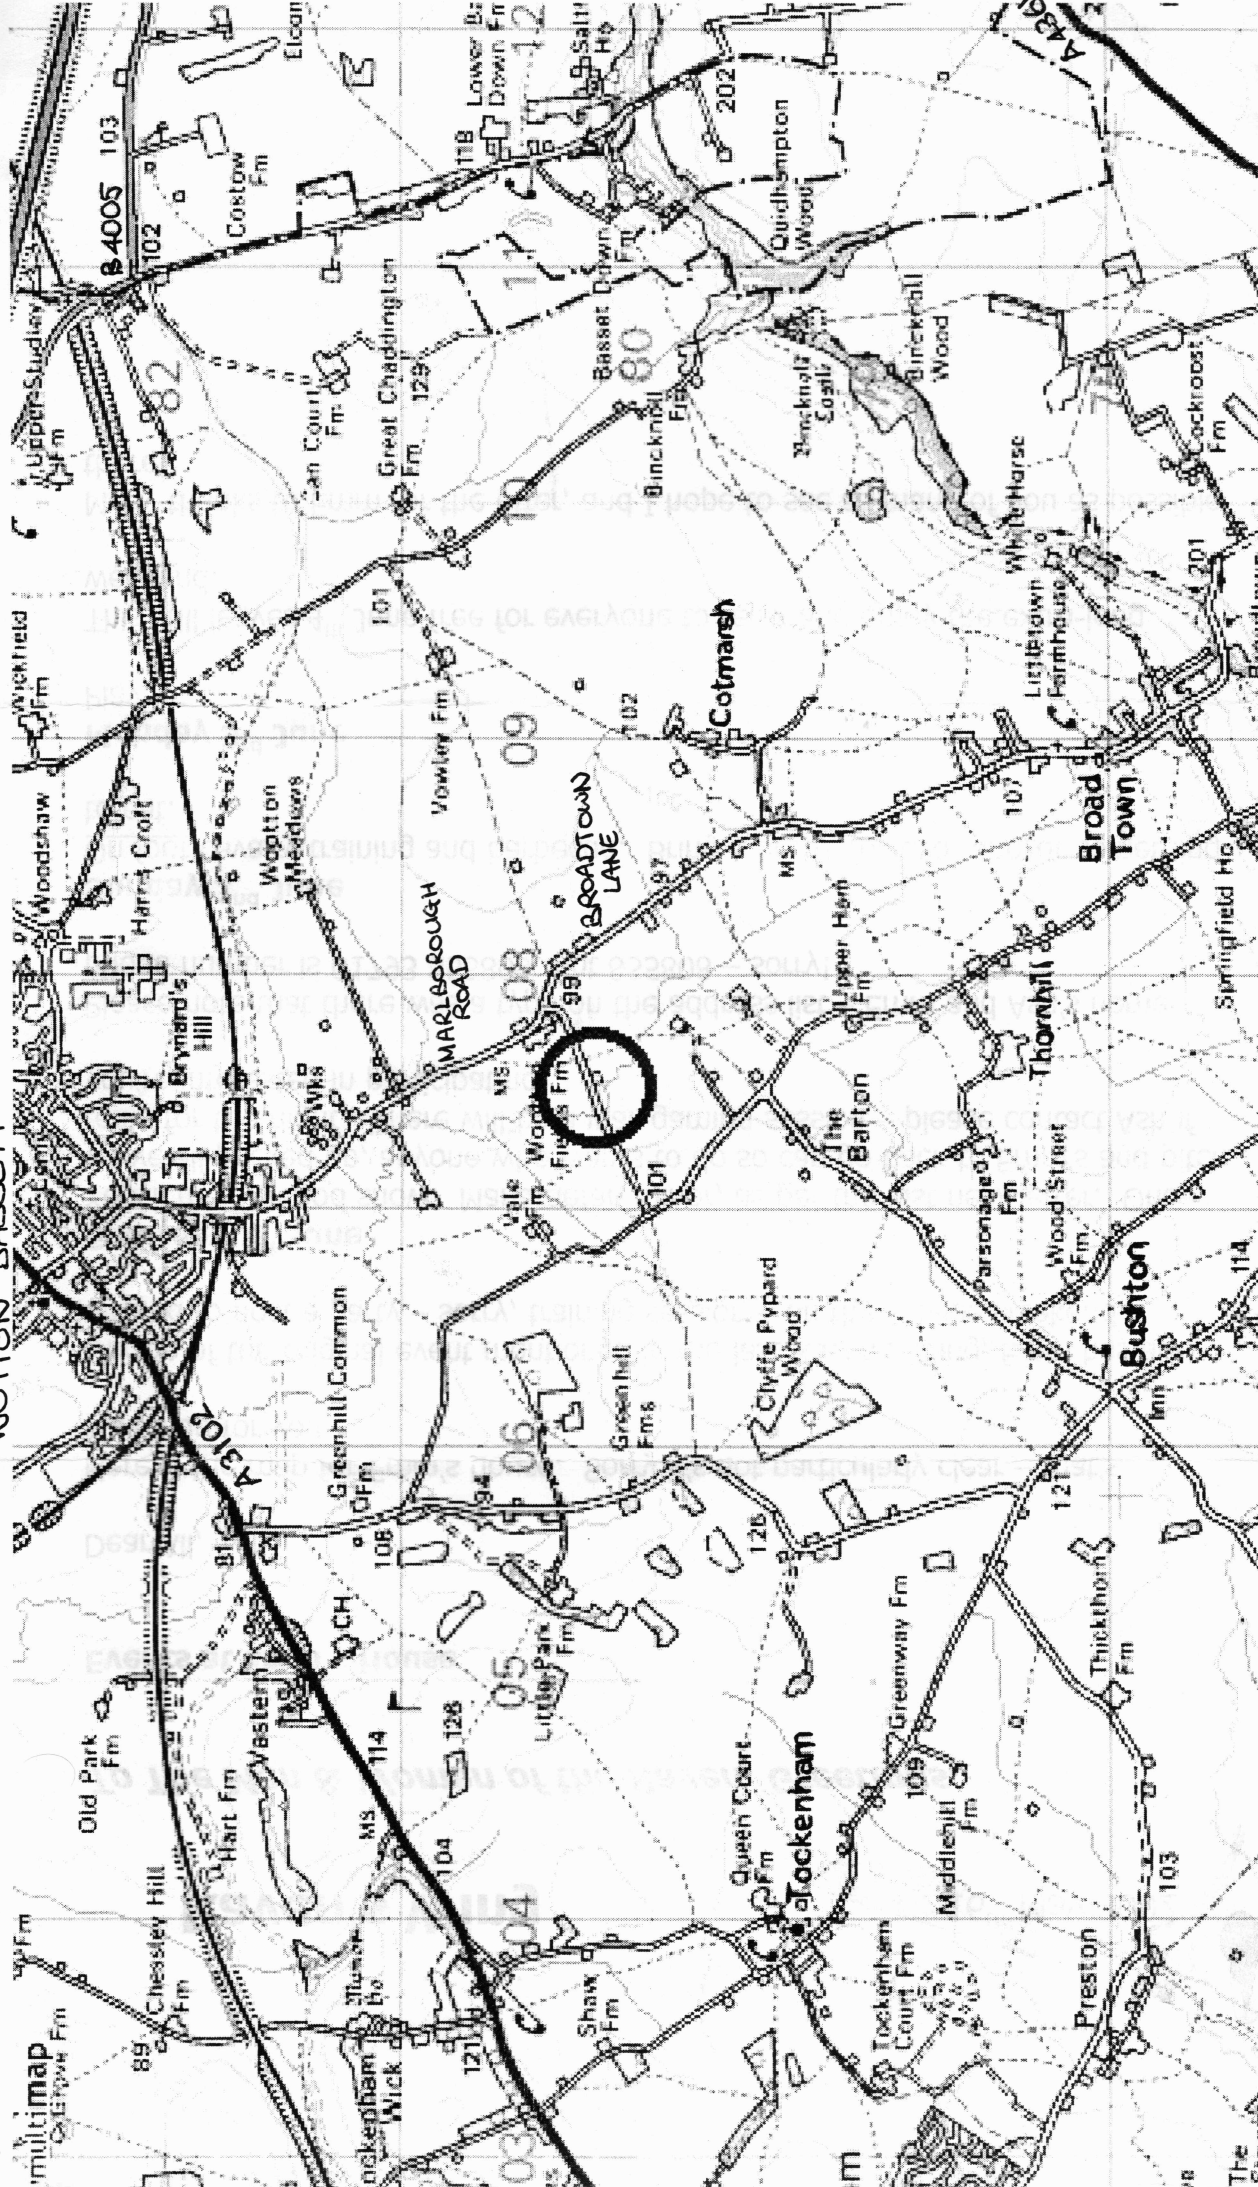

### **Monday 3<sup>rd</sup> June**

Play.

This still leaves 4<sup>th</sup> June free for everyone to relax and enjoy the extra-long weekend.

Many thanks to Emm for the offer, and I hope to see as many of you as possible there!

WOTTON BASSETT

We also ended up being a guard of honour at a wedding being held at the Church. Highlight of the day for me was some show fighting between Steve Allen & myself, when I said to him "head shot" expecting him to block he then cut me in half, kicked me in the head then chopped of my nuts. It just goes to show never trust a smiling Viking.

Our next show on your list is Woodlands county park, on June 15-16. This is just past Exeter, southbound M5 & is a VOME show.

The next Viking show which I'm hoping for a good turnout from our group is Basing House in Basinstoke on June 21-22. There is a school visit on the Friday evening at Dunbury first school from 17.30-20.30. This is between Dorchester & Blandford on the A354. The usual kiddy vik, single combat & Hrothgar's story will be done with some kidnapping. If you are interested please phone me.

If you want to contribute anything in the next newsletter please forward it to me, ta.

### **News just in.**

We have just acquired an event. Frampton village fete on Sunday 7th, This is an afternoon event. There will be some money for petrol.

This is between Dorchester & Yeovil in Dorset & will be a Saxon V Viking show. We need & Hope to get at least 10 people. More information to follow.

Tony.
