2. Items Discussed.

a) Group Name. Name of MANARAEFAN agreed upon, meaning in old Norse 'Men of the Raven'.

b) Group Colours. Voted on, and Yellow and Green agreed.

c) Group History (as drafted by Sandra) agreed and entered as first page of group rules.

d) Group Structure and Constitution. After some debate a rough outline was agreed and Peter offered to produce a first draft by Saturday 25th.

e) Group Officerships. After further debate the following were appointed:-

Peter James	Sturaesman, First Aid, Authenticity.
Steve Allen	Combat Training, Stellari.
Karen Allen	Secretary.
Jason Budd	Treasurer.

f) Finances. Group offered use of existing, but dormant, account originally set up for Valhalla banquet. Current signatories Sandra Orchard and Roger Barry. New signatories to be added as soon as necessary.

g) Group Banner. Again considerable debate, but the importance of a raven on the standard agreed. If time permits Pete will experiment with a 'windsock' design to see if practical. If not suitable, probable adoption of triangular shape with cross-pole and raven design in black on green field.

h) Start-Up Equipment. A first-aid kit is an absolute requirement for all NFPS groups. Kevin Orchard will buy a standard, approved kit through his contacts. Approximate cost £12.

i) All present agreed with the importance of having full Lethang status by Old Sarum show at very latest. All will work towards that objective.

Subsequent to the above Peter has located and visited a Leather wholesaler in North London who is used to dealing with the unusual requirements of re-enactors.
