

CAVALRY TRAINING DATES

Hi folks,

I have just spoken to Janet and the cavalry training dates for this winter will be:

3rd & 4th November
1st & 2nd December
5th & 6th January 2002
2nd & 3rd February 2002
2nd & 3rd March 2002
6th & 7th April 2002

This means that we will be at Janet's on the first weekend of every month instead of the second weekend. Please accept my apologies if this causes any inconvenience, but these are the only full weekends that Janet has available. On the plus side, however, this does mean that in theory we will have the run of the yard. Janet is trying to arrange things so that she only has one large group at her place on any given weekend.

See you all soon,

Ross
